HEAD COACH DAWN CHAMBERLIN

Now in her seventh year as head coach of the Salisbury State University field hockey program, **Dawn Chamberlin** already ranks among the most successful coaches in the school's history. During her first six seasons, the Sea Gulls have qualified for the NCAA Tournament each year, with three appearances in the Final Four. The program has produced 12 national All-Americans and 30 all-region players. SSU's 79-29-8 record under Chamberlin translates to a winning percentage of .681. Additionally, Chamberlin has been honored as the CFHCA South Region Coach-of-the-Year two of the last three years.

Chamberlin is a 1985 graduate of the University of Iowa, where she was a four-year letterwinner on the highly successful field hockey team. The Hawkeyes won the Big Ten championship outright from 1981 to 1983, before sharing the top spot in 1984. The '84 squad finished second in the nation. Chamberlin, Iowa's co-captain as both a junior and senior, was also a member of the national indoor championship team and was selected to the All-Big Ten team during her senior year.

While at Iowa, she also received the Women's Intercollegiate Athletic Academic Award (1982-1985) and the Physical Education Academic Achievement Award (1983-1985). Chamberlin, who also coaches the SSU women's lacrosse team in the spring, earned her Master of Education from Salisbury State in 1987. She also served as SSU's assistant coach for field hockey in 1985 and 1986.

SSU FIELD HOCKEY

• A TRADITION OF SUCCESS •

During the past decade, Salisbury State has emerged as one of the premier field hockey programs among NCAA Division III institutions. The Sea Gulls are one of just five schools to have captured the national championship since its inception in 1981, turning the trick with an undefeated 21-0 campaign in 1986. Since their first visit to the NCAA postseason tournament in 1984, the Gulls have become a regular contender for the national title, with a current string of nine straight appearances entering 1993.

In addition to the national championship in 1986, SSU has advanced to the Final Four on three other occasions, finishing as a national semifinalist in both 1987 and 1988 as well as last year. Additionally, the Gulls were national quarterfinalists from 1989 to 1991, losing in two of those three years to the eventual national champion in the round of eight.

The Sea Gulls have notched 10 consecutive winning seasons and finished in the top 10 in the final rankings in each of those seasons. SSU has achieved at least 11 wins in 10 of the last 11 seasons. In Dawn Chamberlin's six seasons as head coach, the Sea Gulls have averaged 13.2 wins per year, and have finished third in the nation twice.

Any quality program is comprised of talented individuals and the Sea Gulls have certainly had their fair share in recent years. Salisbury State is well represented on the national and regional all-star teams each season. During Chamberlin's first six seasons, the Gulls have produced 12 national All-Americans and had a total of 30 players selected to the all-South Region team. Additionally, Chamberlin has been honored as the region's Coach-of-the-Year in both 1990 and 1991.

SALISBURY STATE UNIVERSITY

A Reputation for Excellence

"Best Buy" in Public Education. "Smiles abound as the . . . school's endowment and reputation soar," said *The Baltimore Sun* in a front page story. *Money* magazine ranked SSU a national "best buy" in public education.

Applications triple. For 15 straight years the number of applications here has increased, countering national trends. This fall the campus received over 4,000 applications for 650 openings.

SATs up nearly 200 points. In the same time period, SAT scores rose to among the highest in Maryland's public university system. The average 1993 freshman at SSU has well over 1000 on the SATs and a better than B average in high school.

\$45 million investment in buildings and grounds. Splendid new architecture and a beautifully landscaped campus in the heart of Maryland's Eastern Shore have made us one of the Mid-Atlantic's most attractive universities.

Highest endowed four-year public comprehensive university in Maryland. SSU's \$10 million plus endowment means more scholarships, student travel and research funds, and more visiting scholars and artists' programs. The University has been listed in an exclusive group of 300 schools with the largest endowments for their size.
